MTN GROUP LIMITED

Incorporated in the Republic of South Africa
(Registration number 1994/009584/06)
JSE share code: MTN
ISIN: ZAE000042164
(MTN Group or the company)

TO THE SHAREHOLDERS

This document contains:

- The notice of the 23rd annual general meeting (AGM), setting out the resolutions to be proposed thereat, together with explanatory notes. There are also guidance notes if you wish to attend the meeting (for which purpose the meeting location map is included) or to vote by proxy.
- A form of proxy for use by shareholders holding MTN Group ordinary shares in certificated form or recorded in sub-registered electronic form in 'own name'.

Who may attend?

Shareholders on the MTN Group share register who have dematerialised their ordinary shares through STRATE, other than those whose shareholding is recorded in their 'own name' in the sub-register maintained by their CSDP, and who wish to attend the meeting in person, will need to request their CSDP or broker to provide them with the necessary letter of authority to do so in terms of the custody agreement entered into between the dematerialised shareholders and their CSDP or broker.

A shareholder (including certificated shareholders and dematerialised shareholders who hold their shares with 'own-name' registration) who is entitled to attend and vote at the meeting is entitled to appoint one or more proxies to attend, participate in and vote at the meeting in his/her/its stead. A proxy does not have to be a shareholder of the company but must be an individual.

Who may vote?

All shareholders of MTN Group shares are entitled to vote. Every holder of shares present in person or by proxy at the meeting, or, in the case of a body corporate represented at the meeting, shall be entitled to one vote on a show of hands (irrespective of the number of shares held) and on a poll shall be entitled to one vote for every share held. Shareholders who arrive after the commencement of the AGM will be entitled to vote prospectively and not retrospectively.

Voting and proxies

Every shareholder who is entitled to attend and vote at the AGM is entitled to appoint a proxy. The appointment of a proxy will not preclude the shareholder who appointed that proxy from attending the AGM and participating and voting in person thereat to the exclusion of any such proxy.

It is requested that duly completed forms of proxy or powers of attorney be lodged at the registered office of the company or with the company's South African transfer secretaries (Computershare Investor Services), preferably not less than 48 hours before the time appointed for holding the meeting. The name and address of the transfer secretaries are given on the back of the form of proxy.

All beneficial owners of shares who have dematerialised their shares through a CSDP or broker, other than those shareholders who have dematerialised their shares in 'own-name' registration, and all beneficial owners of shares who hold certificated shares through a nominee, must provide their CSDP, broker or nominee with their voting instructions. Voting instructions must reach the CSDP, broker or nominee in sufficient time and in accordance with the agreement between the beneficial owner and the CSDP, broker or nominee, as the case may be, to allow the CSDP, broker or nominee to carry out the instructions and lodge the requisite authority immediately before the meeting.

Should such beneficial owners, however, wish to attend the meeting in person, they may do so by requesting their CSDP, broker or nominee to issue them with appropriate authority in terms of the agreement entered into between the beneficial owner and the CSDP, broker or nominee, as the case may be.

MTN Group has a large number of shareholders and it is not possible for all of them to attend the meeting. In view of this fact and because voting on resolutions at AGMs of the MTN Group is regarded as of high importance, putting all

resolutions to a vote on a poll takes account of the wishes of those shareholders who are unable to attend the meeting in person, but who have completed a form of proxy. A vote on a poll also takes into account the number of shares held by each shareholder, which the MTN Group board ('the board') believes is a more democratic procedure. This year, all resolutions will again be proposed to be put to vote on a poll.

Voting at the AGM will be undertaken electronically. An electronic voting handset will be distributed before the start of the meeting to all shareholders who attend in person and are eligible to vote. The registrars will identify each shareholder's individual shareholding so that the number of votes that each shareholder has at the meeting will be linked to the number of votes which each shareholder will be able to exercise via the electronic handset. Shareholders who have completed and returned forms of proxy will not need to vote using a handset at the meeting unless they wish to change their vote.

Electronic participation

Shareholders may participate electronically in the AGM, in accordance with the provisions of the Companies Act 71 of 2008 (the Act/the Companies Act). Shareholders wishing to participate electronically in the AGM are required to deliver written notice to the company at 216 – 14th Avenue, Fairland, Gauteng, South Africa, 2196 (marked for the attention of SB Mtshali, the group secretary) by no later than 09:00 on Friday, 11 May 2018 that they wish to participate via electronic communication at the AGM (the electronic notice). Electronic facilities will be made available for this purpose, and may be accessed at the shareholder's cost. In order for the electronic notice to be valid it must contain, among others, the following:

- if the shareholder is an individual, among others a certified copy of his identity document and/or passport;
- if the shareholder is not an individual, a certified copy of a resolution by the relevant entity and a certified copy of the identity documents and/or passports of the persons who passed the relevant resolution, which resolution must set out who from the relevant entity is authorised to represent the relevant entity at the AGM via electronic communication; and
- a valid e-mail address and/or facsimile number (the contact address/number). The company shall use its reasonable endeavours on or before 09:00 on Monday, 21 May 2018, to notify the shareholder, who has delivered a valid electronic notice, at its contact address/number, of the relevant details through which the shareholder can participate via electronic communication.

Voting percentage required to pass resolutions

In principle all ordinary resolutions require the support of more than 50% (fifty per cent) of the voting rights exercised on each of them by the shareholders, whether present in person, or represented by proxy.

However, in terms of the JSE Limited Listings Requirements ('JSE Listings Requirements'), ordinary resolution 6 requires the support of at least 75% (seventy-five percent) of the voting rights exercised on this resolution by the shareholders, whether present in person, or represented by proxy. Endorsement of the company's remuneration policy and remuneration implementation report requires a non-binding advisory vote.

All special resolutions require the support of at least 75% (seventy-five percent) of the voting rights exercised on each of them by the shareholders, whether present in person, or represented by proxy.

Identification of meeting participants

Section 63(1) of the Companies Act requires that meeting participants (including proxies) be required to provide reasonably satisfactory identification and evidence of authority (where applicable) before being entitled to attend or participate in the AGM. Forms of identification include valid identity documents, driver's licences and passports.

Letter from our chairman

Phuthuma Nhleko, *chairman*

Dear shareholder

Notice of the 23rd annual general meeting

I have the pleasure of enclosing the notice of the 23rd annual general meeting and form of proxy together with the Integrated Report for the year ended 31 December 2017.

Innovation Centre
Phase II Auditorium
216 – 14th Avenue
Fairland
Gauteng
South Africa on Thursday, 24 May 2018 at 14:30
(South African time).

I believe that the AGM provides a worthwhile and meaningful opportunity for shareholders to exercise their shareholder rights through raising questions, engaging with the directors of the company and by voting on the business of the meeting.

The ordinary and special resolutions will be proposed, considered, and if deemed fit, passed, with or without modification, in the manner required by the Companies Act, as read with the

JSE Listings Requirements, and deal with such other business as may lawfully dealt with at the meeting.

The board is of the unanimous opinion that all the resolutions which are to be proposed at the AGM are in the best interests of the company and its shareholders and therefore recommend that you vote in favour of the resolutions.

The procedure on how to vote and attend the meeting as well as other shareholder information is set out on the cover page of this notice. If you cannot attend the meeting, please vote your shares by appointing a proxy.

I look forward to welcoming you at the AGM.

Ordinary resolution number 5

General authority for directors to allot and issue ordinary shares

"Resolved that, as required by and subject to the company's memorandum of incorporation, and subject to the provisions of the Companies Act and the JSE Listings Requirements, each as presently constituted and as amended from time to time, the directors are authorised, as they in their discretion deem fit, to allot and issue shares (or convertible securities that are convertible into ordinary shares) and grant options over shares and to undertake to allot and issue shares (or convertible

securities that are convertible into ordinary shares) and grant options over shares:

- representing not more than 5% (five percent) of the number of ordinary shares in issue as at the date of the notice of the AGM (93 714 324 ordinary shares) (excluding treasury shares); and
- separately to such shares as have been approved to be allotted and issued by the company in terms of its share and other employee incentive schemes, from the authorised but unissued ordinary shares of 0,01 cents each in the share capital of the company (as defined in the JSE Listings Requirements) and/or shares that may be held from time to time by any member of the MTN Group (subject to the necessary authority being obtained and procedures being followed by that entity), such authority to endure until the next AGM of the company (whereupon this authority shall lapse, unless it is renewed at the aforementioned AGM), provided that it shall not extend beyond 15 (fifteen) months of the date of this meeting."

The aggregate number of ordinary shares to be allotted in terms of this resolution and ordinary resolution number 6 is limited to 5% (five percent) of the ordinary shares in issue as at the date of the notice of the AGM.

Information pertinent to ordinary resolution 5

In terms of the company's memorandum of incorporation, shareholders of the company may authorise the directors to, *inter alia*, issue any unissued ordinary shares and/or grant options over them, as the directors in their discretion deem fit.

The existing authority granted by the shareholders at the previous AGM on 25 May 2017, is proposed to be renewed at this AGM. The authority will be subject to the Companies Act and the JSE Listings Requirements. The aggregate number of ordinary shares able to be allotted and issued in terms of this resolution, excluding the company's share or other employee incentive schemes shall be limited to 5% (five percent) of the number of ordinary shares in issue as at the date of the notice of the AGM.

The directors have decided to seek annual renewal of this authority in accordance with best practice. The directors wish to ensure, by having it in place, that the company has

the necessary flexibility in managing the group's capital resources and to enable the company to take advantage of any business opportunity that may arise in the future. This resolution requires a 50% (fifty percent) majority of the votes passed at the meeting.

Ordinary resolution number 6

General authority for directors to allot and issue ordinary shares for cash

"Resolved, as an ordinary resolution, and subject to ordinary resolution number 5 being passed, that the directors of the company be and they are hereby authorised, in accordance with the Companies Act and the JSE Listings Requirements, to allot and issue for cash, on such terms and conditions as they may deem fit, all or any of the ordinary shares in the authorised but unissued share capital of the company and/or any options/convertible securities that are convertible into ordinary shares, which they shall have been authorised to allot and issue in terms of ordinary resolution number 5, subject to the following conditions:

- This authority is valid until the company's next annual general meeting, provided that it will not extend beyond 15 (fifteen) months from the date that this authority is given.
- The equity securities which are the subject of the issue for cash must be of a class already in issue, or where this is not the case, must be limited to such securities or rights that are convertible into or represent options in respect of a class already in issue.
- Any such issue will only be made to 'public shareholders' as defined in the JSE Listings Requirements and not to related parties, unless the JSE otherwise agrees.
- The number of shares issued for cash will not in aggregate exceed 5% (five percent) of the company's listed equity securities (excluding treasury shares) as at the date of the notice of AGM, such number being 93 714 324 ordinary shares in the company's issued share capital.
- Any equity securities issued under the authority during the period contemplated in the first bullet above must be deducted from such number in the preceding bullet.
- In the event of a sub-division or consolidation of issued equity securities during the period contemplated in the first bullet above, the existing authority must be adjusted accordingly to represent the same allocation ratio.

Notice of the 23rd annual general meeting

- An announcement giving full details, including the impact on net asset value and earnings per share, will be published at the time of any issue representing, on a cumulative basis within the period contemplated in the first bullet above, 5% (five percent) or more of the number of shares in issue prior to the issue.
- The maximum discount permitted at which equity securities may be issued is 5% (five percent) of the weighted average traded price on the JSE of those shares over the 30 (thirty) business days prior to the date that the price of the issue is agreed between the company and the party subscribing for the securities. The aggregate number of ordinary shares to be allotted in terms of this resolution and ordinary resolution number 5 is limited to 5% (five percent) of the ordinary shares in issue as at the date of the notice of the AGM.

Information pertinent to ordinary resolution 6

The reason for proposing this resolution is that the directors consider it advantageous to have the authority to issue ordinary shares for cash in order to enable the company to take advantage of any business opportunity which might arise in the future. At present, the directors have no specific intention to use this authority, and the authority will only be used if circumstances are appropriate.

In terms of the JSE Listings Requirements, a company may only undertake a general issue for cash where, among other things, such general issue for cash has been approved by ordinary resolution with a 75% (seventy-five percent) majority of the votes exercisable at the meeting being cast thereon.

Ordinary resolution number 7

Non-binding advisory vote on the company's remuneration policy

"Resolved to endorse, through a non-binding advisory vote, the company's remuneration policy as set out in the remuneration report contained on pages 82 to 99 of the integrated report."

Information pertinent to ordinary resolution 7

Shareholders are reminded that in terms of King IV and the JSE Listings Requirements, the passing of this ordinary resolution is by way of a non-binding vote. Should 25% (twenty-five percent) or more of the votes cast vote against this ordinary resolution, MTN Group undertakes to engage with shareholders.

Ordinary resolution number 8

Non-binding advisory vote on the company's remuneration implementation report

"Resolved to endorse, through a non-binding advisory vote, the company's remuneration implementation report as set out on pages 82 to 99 of the integrated report."

Information pertinent to ordinary resolution 8

Shareholders are reminded that in terms of King IV and the JSE Listings Requirements, the passing of this ordinary resolution is by way of a non-binding vote. Should 25% (twenty-five percent) or more of the votes cast vote against this ordinary resolution, MTN Group undertakes to engage with shareholders.

3. SPECIAL RESOLUTIONS

Special resolution number 1

Proposed approval of remuneration payable to non-executive directors

"Resolved, that the non-executive directors' remuneration, excluding value added tax, payable quarterly in arrears for the ensuing year, as set out in the table on page 7 of this notice, and as recommended by the remuneration committee and the board, be approved with immediate effect."

Information pertinent to special resolution number 1

This resolution is proposed to comply with the provisions of sections 66(8) and (9) of the Companies Act which provides that the company may pay remuneration to its directors for their services as directors by special resolution within the previous two years.

The directors will be entitled to the fees to be paid for the period from this AGM until the next AGM.

The board has noted that the directors' fees have remained flat for the past two years and as such has recommended to the shareholders a fee increase.

All members, other than the chairman, were granted an inflation-linked increase and this was based on a benchmark exercise that was conducted by management which highlighted a need to review and align to the median of the JSE Top 10 comparator group. Based on the same benchmarking exercise, the board recommends a non-inflationary fee increase for the chairman.

Special resolution number 2

Repurchase of the company's shares

The board has considered the impact of a repurchase or purchase, as the case may be, of up to 10% (ten percent) of the company's shares, which falls within the amount permissible under a general authority in terms of the JSE Listings Requirements and, in respect of acquisitions by subsidiaries of the company, in terms of the Companies Act.

Should the opportunity arise and should the directors deem it to be advantageous to the company, or any of its subsidiaries, to repurchase or purchase, as the case may be, such shares, it is considered appropriate that the directors (and relevant subsidiaries) be authorised to repurchase or purchase, as the case may be, the company's shares.

"Resolved that the company, and/or a subsidiary of the company, is authorised to repurchase or purchase, as the case may be, shares issued by the company, from any person, upon such terms and conditions and in such number as the directors of the company or the subsidiary may from time to time determine, including that such shares be repurchased or purchased from the capital redemption reserve fund, but subject to the applicable requirements of the company's memorandum of incorporation, the Companies Act and the JSE Listings Requirements, each as presently constituted and as amended from time to time; and subject further to the restriction that the repurchase or purchase, as the case may be, by the company and/or any of its subsidiaries, of shares in the company of any class under this authority shall not, in aggregate in any one financial year, exceed 10% (ten percent) of the shares in issue in such class as at the commencement of such financial year."

It is recorded that the company or any subsidiary of the company may only make a general repurchase of the shares in the company subject to the following:

- the repurchase of securities being effected through the order book operated by the JSE Limited (JSE) trading system and done without any prior understanding or arrangement between the company and the counter party (reported trades are prohibited);

- at any point in time, the company may only appoint one agent to effect the general repurchase(s) on the company's behalf;
- approval by shareholders in terms of a special resolution of the company, in annual general/general meeting, which shall be valid only until the next annual general meeting or for 15 (fifteen) months from the date of the resolution, whichever period is shorter;
- a resolution by the board that it authorises the repurchase, that the company and its subsidiaries have passed the solvency and liquidity test and that from the time the test was performed there have been no material changes to the financial position of the group;
- when the company or a subsidiary of the company has cumulatively repurchased 3% (three percent) of any class of the company's shares in issue on the date of passing of this special resolution (the initial number), and for each 3% (three percent) in aggregate of that class of shares acquired thereafter, in each case in terms of this resolution, an announcement in compliance with paragraph 11.27 of the JSE Listings Requirements shall be made;
- the company or its subsidiaries may not repurchase any of the company's shares during a prohibited period as defined in the JSE Listings Requirements, unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and the company has submitted the repurchase programme to the JSE in writing prior to the commencement of a prohibited period. The company will instruct an independent third party, which makes its investment decisions in relation to the company's securities independently of, and uninfluenced by, the company, prior to commencement of the prohibited period to execute the repurchase programme submitted to the JSE; and
- no repurchases may be made at a price which is greater than 10% (ten percent) above the weighted average of the market value for the securities for the five business days immediately preceding the date on which the transaction is effected (the maximum price). The JSE will be consulted for a ruling if the company's securities have

not traded in such a five-day period; and if the company enters into derivative transactions that may or will result in the repurchase of shares in terms of this general authority, such transactions must be pre-approved by the JSE.

After considering the effects of such maximum repurchase:

- The company and the group will be able to, in the ordinary course of business, pay its debts for a period of 12 months after the date of the notice of the AGM.
- The assets of the company and the group will be in excess of the liabilities of the company and the group for a period of 12 months after the date of the notice of the AGM. For this purpose, the assets and liabilities should be recognised and measured in accordance with the accounting policies used in the latest audited consolidated annual group financial statements.
- The share capital and reserves of the company and the group will be adequate for ordinary business purposes for a period of 12 months after the date of the notice of the AGM.
- The working capital of the company and the group will be adequate for ordinary business purposes for a period of 12 months after the date of the notice of the AGM.

For the purpose of considering special resolution number 2 and in compliance with paragraph 11.26 of the JSE Listings Requirements, the information listed below has been included in the annual financial statements (AFS) or the integrated report, in which this notice of the AGM is incorporated, at the places indicated:

- major shareholders – refer to the AFS; and
- share capital of the company – refer to the AFS.

The directors, whose names are set out on pages 70 and 71 of the integrated report, collectively and individually accept full responsibility for the accuracy of the information contained in this special resolution and its accompanying supporting information and certify that, to the best of their knowledge and belief, there are no other facts, the omission of which would

make any statement false or misleading and that they have made all reasonable enquiries in this regard and this resolution and the supporting information required by law and the JSE Listings Requirements.

As at 22 March 2018, being the last practicable date before the finalisation of this notice, there have been no material changes in the financial or trading position of the company and its subsidiaries that have occurred since 31 December 2017.

The directors intend, should the proposed authority be granted to them under this resolution, to use such authority to continue, at appropriate times, to repurchase shares on the open market and thereby to more efficiently utilise cash on hand.

This authority includes an authority, by special resolution, to repurchase, through the JSE's order book, as contemplated in section 48(8)(a) of the Companies Act, shares disposed of by a director or prescribed officer of the company or a person related to a director or prescribed officer of the company.

Information pertinent to special resolution number 2

The existing general authority for the company and/or a subsidiary thereof to repurchase or purchase, as the case may be, shares in the company, granted by shareholders at the previous AGM on 25 May 2017, is due to expire at this AGM, unless renewed.

The directors are of the opinion that it would be in the best interests of the company to renew such general authority and thereby allow the company or any subsidiary of the company to be in a position to repurchase or purchase, as the case may be, the shares issued by the company through the order book of the JSE, should the market conditions and price justify such action.

Special resolution number 3 Financial assistance to subsidiaries and other related and interrelated entities

"Resolved that, to the extent required by the Companies Act, the board of directors of the company may, subject to compliance

with the requirements of the company's memorandum of incorporation, the Companies Act (including, but not limited to, the board of the company being satisfied that immediately after providing the financial assistance, the company would satisfy the solvency and liquidity test (as contemplated in section 4 of the Companies Act) and that the terms under which the financial assistance is proposed to be given are fair and reasonable to the company) and the JSE Listings Requirements, each as presently constituted and as amended from time to time, authorise the company to provide direct or indirect financial assistance, by way of loan, guarantee, the provision of security or otherwise, to any of its present or future subsidiaries and/or any other company or entity that is or becomes related or interrelated (as such term is defined in section 2 of the Companies Act), to the company for any purpose or in connection with any matter, including, but not limited to, the subscription for any option, or any securities issued or to be issued by the company or a related or interrelated company or entity, or for the purchase of any securities of the company or a related or interrelated company or entity, such authority to endure until the next AGM of the company."

Special resolution number 4

Financial assistance to directors and/or prescribed officers and employee share scheme beneficiaries

"Resolved that, to the extent required by the Companies Act, the board of directors of the company may, subject to compliance with the requirements of the company's memorandum of incorporation, the Companies Act (including, but not limited to, the board of the company being satisfied that, immediately after providing the financial assistance, the company would satisfy the solvency and liquidity test (as contemplated in section 4 of the Companies Act) and that the terms under which the financial assistance is proposed to be given are fair and reasonable to the company) and the JSE Listings Requirements, each as presently constituted and as amended from time to time, authorise the company to provide direct or indirect financial assistance to any of the present or future directors or prescribed officers of the company, or of a related or interrelated

company to the company or to any other person who is a participant in any of the company's or group's shareholder approved share or other employee incentive schemes, for the purpose of, or in connection with, the subscription for any option, or any securities, issued or to be issued by the company or a related or interrelated company or entity, or for the purchase of any securities of the company or a related or interrelated company or entity, where such financial assistance is provided in terms of any such company or employee share scheme, such authority to endure until the next AGM of the company."

Information pertinent to special resolution number 4

Notwithstanding the title of section 45 of the Companies Act, being 'Loans or other financial assistance to directors', on a proper interpretation, the body of the section may also apply to financial assistance provided by a company to related or interrelated companies and entities, including, *inter alia*, its subsidiaries, for any purpose.

Furthermore, section 44 of the Companies Act may also apply to the financial assistance so provided by a company to related or interrelated companies, in the event that the financial assistance is provided for the purpose of, or in connection with, the subscription of any option, or any securities, issued or to be issued by the company or a related or interrelated company, or for the purchase of any securities of the company or a related or interrelated company.

Both sections 44 and 45 of the Companies Act provide, *inter alia*, that the particular financial assistance must be provided only pursuant to a special resolution of the shareholders, adopted within the previous two years, which approved such assistance either for the specific recipient, or generally for a category of potential recipients, and the specific recipient falls within that category and the board of directors must be satisfied that:

- (a) immediately after providing the financial assistance, the company would satisfy the solvency and liquidity test; and
- (b) the terms under which the financial assistance is proposed to be given are fair and reasonable to the company.

The MTN Group would like the ability to provide financial assistance, if necessary, also in other circumstances, in accordance with sections 44 and 45 of the Companies Act. Furthermore, it may be necessary or desirable for the MTN Group to provide financial assistance to related or interrelated companies and entities to subscribe for options or securities or purchase securities of the MTN Group or another company or entity related or interrelated to it. Under the Companies Act, the MTN Group will however, require the special resolution referred to above to be adopted. In the circumstances and in order to, *inter alia*, ensure that the MTN Group's subsidiaries and other related and interrelated companies and entities have access to financing and/or financial backing from the MTN Group, it is necessary to obtain the approval of shareholders as set out in special resolution number 3.

Sections 44 and 45 contain exemptions in respect of employee share schemes that satisfy the requirements of section 97 of the Companies Act. To the extent that any of the company's or the group's shareholder approved shares or other employee incentive schemes do not constitute employee share schemes that satisfy such requirements, financial assistance (as contemplated in sections 44 and 45) to be provided under such schemes will, *inter alia*, also require approval by special resolution.

Accordingly, special resolution number 4 authorises financial assistance to any of the directors or prescribed officers of MTN Group or its related or interrelated companies or to any other person who is a participant in any of the company's or the group's shareholder approved share or other employee incentive schemes, in order to facilitate their participation in any such schemes that do not constitute employee share schemes that satisfy the requirements of section 97 of the Companies Act.

The authority conveyed by these resolutions is valid until the next AGM of the company and requires approval by a 75% (seventy-five percent) majority of the votes exercisable at the meeting.

Summary of applicable rights established in section 58 of the Companies Act

For purposes of this summary, the term 'shareholder' shall have the meaning ascribed thereto in section 57(1) of the Companies Act.

1. At any time, a shareholder of a company is entitled to appoint any individual, including an individual who is not a shareholder of that company, as a proxy to participate in, speak and vote at, a shareholders' meeting on behalf of the shareholder.
2. A proxy appointment must be in writing, dated and signed by the relevant shareholder.
3. Except to the extent that the memorandum of incorporation of a company provides otherwise:
 - 3.1 a shareholder of the relevant company may appoint two or more persons concurrently as proxies, and may appoint more than one proxy to exercise voting rights attached to different securities held by such shareholder; and
 - 3.2 a copy of the instrument appointing a proxy must be delivered to the relevant company, or to any other person on behalf of the relevant company, before the proxy exercises any rights of the shareholder at a shareholders' meeting.
4. Irrespective of the form of instrument used to appoint a proxy:
 - 4.1 the appointment of the proxy is suspended at any time and to the extent that the shareholder who appointed that proxy chooses to act directly and in person in the exercise of any rights as a shareholder of the relevant company; and
 - 4.2 should the instrument used to appoint a proxy be revocable, a shareholder may revoke the proxy appointment by cancelling it in writing, or making a later inconsistent appointment of a proxy, and delivering a copy of the revocation instrument to the proxy and the relevant company.
5. The revocation of a proxy appointment constitutes a complete and final cancellation of the proxy's authority to act on behalf of the relevant shareholder as of the later of the date:
 - 5.1 stated in the revocation instrument, if any; or
 - 5.2 upon which the revocation instrument is delivered to the proxy and the relevant company.
6. Should the instrument appointing a proxy or proxies have been delivered to the relevant company, as long as that appointment remains in effect, any notice that is required by the Companies Act or the relevant company's memorandum of incorporation to be delivered by such company to the shareholder must be delivered by such company to:
 - 6.1 the shareholder, or
 - 6.2 the proxy or proxies if the shareholder has in writing directed the relevant company to do so and has paid any reasonable fee charged by the company for doing so.
7. A proxy is entitled to exercise, or abstain from exercising, any voting right of the relevant shareholder without direction, except to the extent that the memorandum of incorporation of the relevant company or the instrument appointing the proxy provides otherwise.
8. If a company issues an invitation to shareholders to appoint one or more persons named by such company as a proxy, or supplies a form of instrument for appointing a proxy:
 - 8.1 such invitation must be sent to every shareholder who is entitled to receive notice of the meeting at which the proxy is intended to be exercised and must bear a reasonably prominent summary of the rights established by section 58 of the Companies Act;
 - 8.2 the company must not require that the proxy appointment be made irrevocable; and
 - 8.3 the proxy appointment remains valid only until the end of the relevant meeting at which it was intended to be used, unless revoked as contemplated in section 58(5) of the Companies Act (see paragraph 5 above).

Appendix to the notice of annual general meeting continued

Important notes about the annual general meeting (AGM)

Q Where and when will the meeting be held?

A The meeting will be held at the MTN Group Limited head office at the Auditorium, Phase II, Level 0, 216 – 14th Avenue, Fairland, Gauteng, South Africa on Thursday, 24 May 2018.

The meeting will start at 14:30 (South African time) so please allow plenty of time to travel and to pass through security and the registration process.

Q I want to participate in the meeting but cannot attend – what can I do?

A You can vote your shares by appointing a proxy – see the notes relating to the appointment of proxies as well as the form of proxy.

Shareholders may also participate electronically in the AGM – see notes on electronic participation on the cover page of this notice

Q What security measures should I expect?

A You will be required to pass through our security systems before entering the meeting. As in previous years this will involve security clearances at the gate and upon entering the building.

We do not permit behaviour that may interfere with anyone's security or safety or the good order of the meeting. Anyone who does not comply may be removed from the meeting.

Shareholders attending the AGM are required to register at the registration desk in the auditorium reception area at the venue. Meeting participants (including proxies) are required to provide reasonably satisfactory identification before being entitled to attend or participate in the meeting.

Please switch off any mobile phones or other electronic communication equipment for the duration of the proceedings.

Q I hold shares through a broker or nominee, how can I attend?

A Shareholders wishing to attend the AGM have to ensure beforehand, that their shares are in fact registered in their names. Should this not be the case and the shares be registered in any other name or in the name of a nominee company, it is incumbent on shareholders attending the meeting to make the necessary arrangements with that party to be able to attend and vote in their personal capacity. The form of proxy contains detailed instructions in this regard.

Q May I bring a guest or a child?

A The AGM is a private meeting of shareholders and their representatives. Guests are not entitled to attend the meeting as of right but they may be permitted entry at the discretion of the company.

We suggest that it is not appropriate to bring young children as there will be no child care facilities provided at the meeting.

Q May I ask a question at the meeting?

A All shareholders have a right to ask questions. Please indicate your intention to the chairman and he will attend to your request. It is planned that members of the board and senior executives will meet with shareholders after the meeting.

Q How can I get hold of the results of the AGM?

A The results of the AGM will be released on SENS as soon as practically possible after the AGM, and not later than 48 hours after the AGM as per JSE Listings Requirements.

The results will also be available for inspection at the registered office of the company during normal business hours, or alternatively it can be viewed at www.mtn.com. Copies of the announcement may be requested by phoning the group secretary, SB Mtshali on +27 11 912 4067.

Appendix to the notice of annual general meeting

Q Will there be parking provided?

A Yes, secured parking will be provided at the venue at own risk.

Q I have special needs/disability – can I come to the AGM?

Notes to the form of proxy

1. Only shareholders who are registered in the register, or in the sub-register of the company under their 'own-name', may complete a proxy or alternatively attend the meeting. Beneficial owners who are not the registered holder and who wish to attend the meeting in person may do so by requesting the registered holder, being their Central Security Depository Participant (CSDP), broker or nominee, to issue them with a letter of representation in terms of the custody agreements entered into with the registered holder. Letters of representation must be lodged with the company's registrars by no later than 14:30 on Tuesday, 22 May 2018.
2. Beneficial owners who are not the registered holder and who do not wish to attend the meeting in person must provide the registered holder, being the CSDP, broker or nominee, with their voting instructions. The voting instructions must reach the registered holder in sufficient time to allow the registered holder to advise the company or the company's registrar of their instructions by no later than 14:30 on Tuesday, 22 May 2018.
3. A shareholder may insert the name of a proxy or the names of two alternative proxies of his/her/its choice in the space/s provided, with or without deleting 'the chairman of the general meeting', but any such deletion or insertion must be initialled by the shareholder. Any insertion or deletion not complying with the foregoing will be declared not to have been validly effected. The person whose name stands first on the form of proxy and who is present at the AGM will be entitled to act as proxy to the exclusion of those whose names follow. In the event that no names are indicated, the proxy shall be exercised by the chairman of the AGM.
4. A shareholder's instructions to the proxy must be indicated by the insertion of an 'X' or the relevant number of votes exercisable by that shareholder in the appropriate box provided. An 'X' in the appropriate box indicates the maximum number of votes exercisable by that shareholder. Failure to comply with the above will be deemed to authorise the proxy to vote or to abstain from voting at the annual general meeting as he/she/it deems fit in respect of the entire shareholder's votes exercisable thereat. A shareholder or his/her proxy is not obliged to use all the votes exercisable by the shareholder or by his/her/its proxy, but the total of the votes cast and in respect of which abstention is recorded, may not exceed the maximum number of votes exercisable by the shareholder or by his/her proxy.
5. The proxy shall (unless this sentence is struck out and countersigned) have the authority to vote, as he/she deems fit, on any other resolution which may validly be proposed at the meeting, including in respect of any proposed amendment to the above resolutions. If the foregoing sentence is struck out, the proxy shall be deemed to be instructed to vote against any such proposed additional resolution and/or proposed amendment to an existing resolution as proposed in the notice to which this form is attached.
6. To be effective, completed forms of proxy are requested to be lodged with the company at its registered address or at the company's South African transfer secretaries at the address stipulated below, not less than 48 hours before the time appointed for the holding of the meeting. As the meeting is to be held at 14:30 on Thursday, 24 May 2018, proxy forms are requested to be lodged on or before 14:30 on Tuesday, 22 May 2018.
7. The completion and lodging of this form of proxy will not preclude the relevant shareholder from attending the AGM and speaking and voting in person thereat instead of any proxy appointed in terms hereof.
8. The chairman of the AGM may reject or accept any form of proxy which is completed and/or received other than in compliance with these notes.
9. Any alteration to this form of proxy, other than a deletion of alternatives, must be initialled by the signatory.
10. Documentary evidence establishing the authority of a person signing this proxy form in a representative or other legal capacity must be attached to this form of proxy, unless previously recorded by the company or the registrars or waived by the chairperson of the AGM.
11. Where there are joint holders of shares:
 - 11.1 any one holder may sign the form of proxy; and
 - 11.2 the vote of the senior shareholder (for which purpose seniority will be determined by the order in which the names of the shareholders appear in the company's register) who tenders a vote (whether in person or by proxy) will be accepted to the exclusion of the vote(s) of the other joint shareholders.
12. A minor must be assisted by his/her parent or legal guardian, unless the relevant documents establishing his/her legal capacity are produced or have been registered by the transfer secretaries.
13. A proxy may not delegate his/her authority to act on behalf of the shareholder, to another person.
